Introduction

Here is a sample of the newsletter Hawthorne Place that will be issued quarterly on March, June, September and December. It is a revival of ones last issued in 2013.

Branch Collection

The city will start picking up branches in our area (Southeast 1) on January 20. Thank you for not placing branches in the boulevard.

In January, Christmas trees and branches will be collected during the same week. After January, the next collection will occur in April.

Welcome to Our First Edition

After a long hiatus, the Hawthorne Place newsletter has restarted. Since the last newsletter, our board has different members.

All welcome!

Membership Directory

We hope to have the new Hawthorne directory published and delivered to current members by Easter. These contain names, phone numbers, email and street addresses of our neighbors. The directory also contains contact information for city services. If you would like a copy of a current newsletter, please contact your block captain.

Horse Drawn Carriage Rides

Many enjoyed the horse drawn carriage rides, bonfires and Smores on the South Lowell Boulevard on December 15.

Holiday Party

Neither rain nor cold weather kept the annual party goers from attending this year's HPNA holiday party on December 14 from 5 to 8 at 1317 Lowell and 1321 Lowell. Residents brought delicious food including cookies and dip. While adults conversed, the children enjoyed playing games, making decorations and putting together legos.

Christmas Caroling

Around 7 on December 14, Santa Claus led Christmas caroling in the neighborhood. Every recipient showed signs of surprise when the Christmas singers arrived at their doorstep. Caroling is certainly not new to Hawthorne Place. Last year, carolers convened at 1330 Lowell to sing. Years ago, others took on the mantel to spread holiday joy through singing.
